

What is Gnome Asia Summit ?

GNOME[™].ASIA
Summit 2021
MALAYSIA

GNOME.Asia Summit is the featured annual GNOME conference in Asia. It focuses primarily on the GNOME desktop, but also covers applications and platform development tools. The summit brings together the GNOME community in Asia to provide a forum for users, developers, foundation leaders, governments and businesses to discuss the present technology and future developments.

Why Gnome Asia Summit Should be physically in **Malaysia?**

Call For Paper

Topics

GNOME.Asia Summit 2021 invites you to participate as a speaker at the conference on the 20-21 November 2021 through virtual conference at meet.gnome.org. We will invite talks/workshop relevant to GNOME such as contributing to GNOME, contributing to Linux or Free and Open Source Project, Open Source Enlightenment and related story and emerging technologies. Please note that non-technical talks are also welcome.

Types of Sessions

We will invite 2 types of session as follows:

- General Session (20 minutes talk + 5 minutes Q&A)
- Technical Session (40 minutes talk + 10 minutes Q&A)

Schedule

- Submission dateline: 30 September 2021

How to submit your proposal

Submit and register your proposal by following this link: <https://events.gnome.org/event/94/abstracts/>

Mysterious Gift for Speaker

There will be a special gift for the speakers, so please submit your proposal while the sessions slot last!
