Find object with hints for unlock code and treasure location

- Find some small object placed at weird location.
- It will give you hints for unlock code and where you need to go.

Find and unlock

- Treasures are also small and normal objects. They don't look something special or attractive.
- Interacting with treasure shows you a Google form for submitting your **Eventyay Ticket Order Number** and **Unlock code**
- If what you entered are valid, The form will be closed automatically.
- Organizers will check and let you know whether you actually won for treasure.
